TRUSTED PARTNER IN A CONNECTED WORLD

YOUHUA COMMERCE INC. is a U.S.-based international trading company focused on physical commodities, industrial raw materials and cross-border supply chain development.

We connect qualified global producers and supply partners with established industrial buyers. Our approach begins with identifiable procurement demand and evaluates supply on specification, availability, executable pricing, logistics, payment security and counterparty reliability.

ABOUT US

WHO WE ARE

YOUHUA COMMERCE INC. is an international trading company engaged in global sourcing and physical supply of bulk commodities and industrial raw materials.

OUR VISION

To build trusted global trading relationships by connecting reliable supply with sustainable industrial demand.

OUR MISSION

To structure commercially sound physical trades with disciplined sourcing, verification, logistics and execution.

**FROM RESOURCES
TO OPPORTUNITIES**

KEY COMMODITIES

Our initial focus is selective: products where verified industrial demand can be matched with reliable physical supply.

SULPHUR

Granular and formed sulphur for fertilizer, chemical and industrial applications.

FERTILIZER & CHEMICAL

Selected fertilizer and chemical raw materials.

INDUSTRIAL MINERALS

Bulk minerals sourced against verified industrial requirements.

ENERGY-RELATED

Selected physical products where compliant supply and demand can be matched.

AGRICULTURAL

Selected bulk agricultural opportunities based on buyer demand.

OTHER BULK MATERIALS

Additional commodities evaluated case by case.

HOW WE CREATE VALUE

01

SOURCE

Identify producers, authorized marketers and qualified supply partners.

02

VERIFY

Review corporate identity, ownership, sanctions exposure, product origin and supply authority.

03

STRUCTURE

Align price, Incoterms, inspection, documentation, payment security and trade finance.

04

EXECUTE

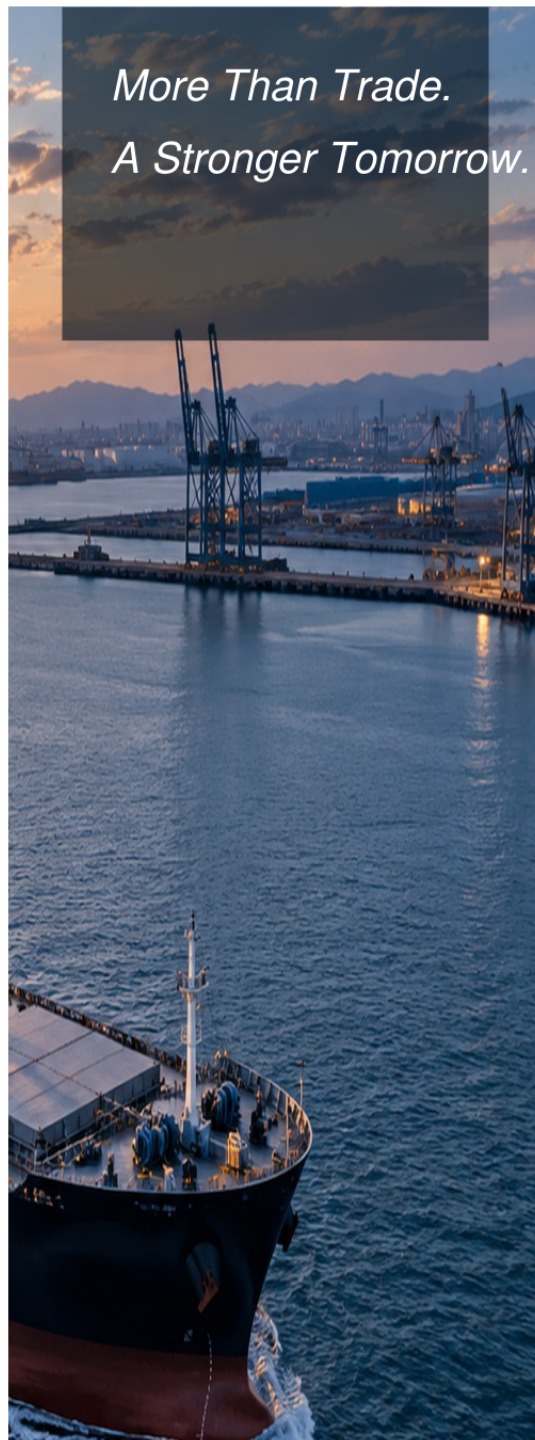

Coordinate seller, buyer, bank, inspection and logistics counterparties.

05

DELIVER VALUE

Build repeatable supply programs and durable commercial relationships.

*More Than Trade.
A Stronger Tomorrow.*

GLOBAL REACH. LOCAL INSIGHT.

We develop relationships with producers, marketers, industrial buyers and service partners across key commodity markets, with current sourcing attention on North America, the Middle East and Central Asia, and destination demand in Asia.

Illustrative trade corridors; not a representation of office locations or completed transactions.

RESPONSIBLE TRADING

YOUHUA applies a risk-based approach to counterparty and transaction due diligence. Our objective is disciplined execution, transparent documentation and long-term commercial reliability.

COUNTERPARTY DUE DILIGENCE

Corporate registration, beneficial ownership, authority to transact and business verification.

SANCTIONS & COMPLIANCE

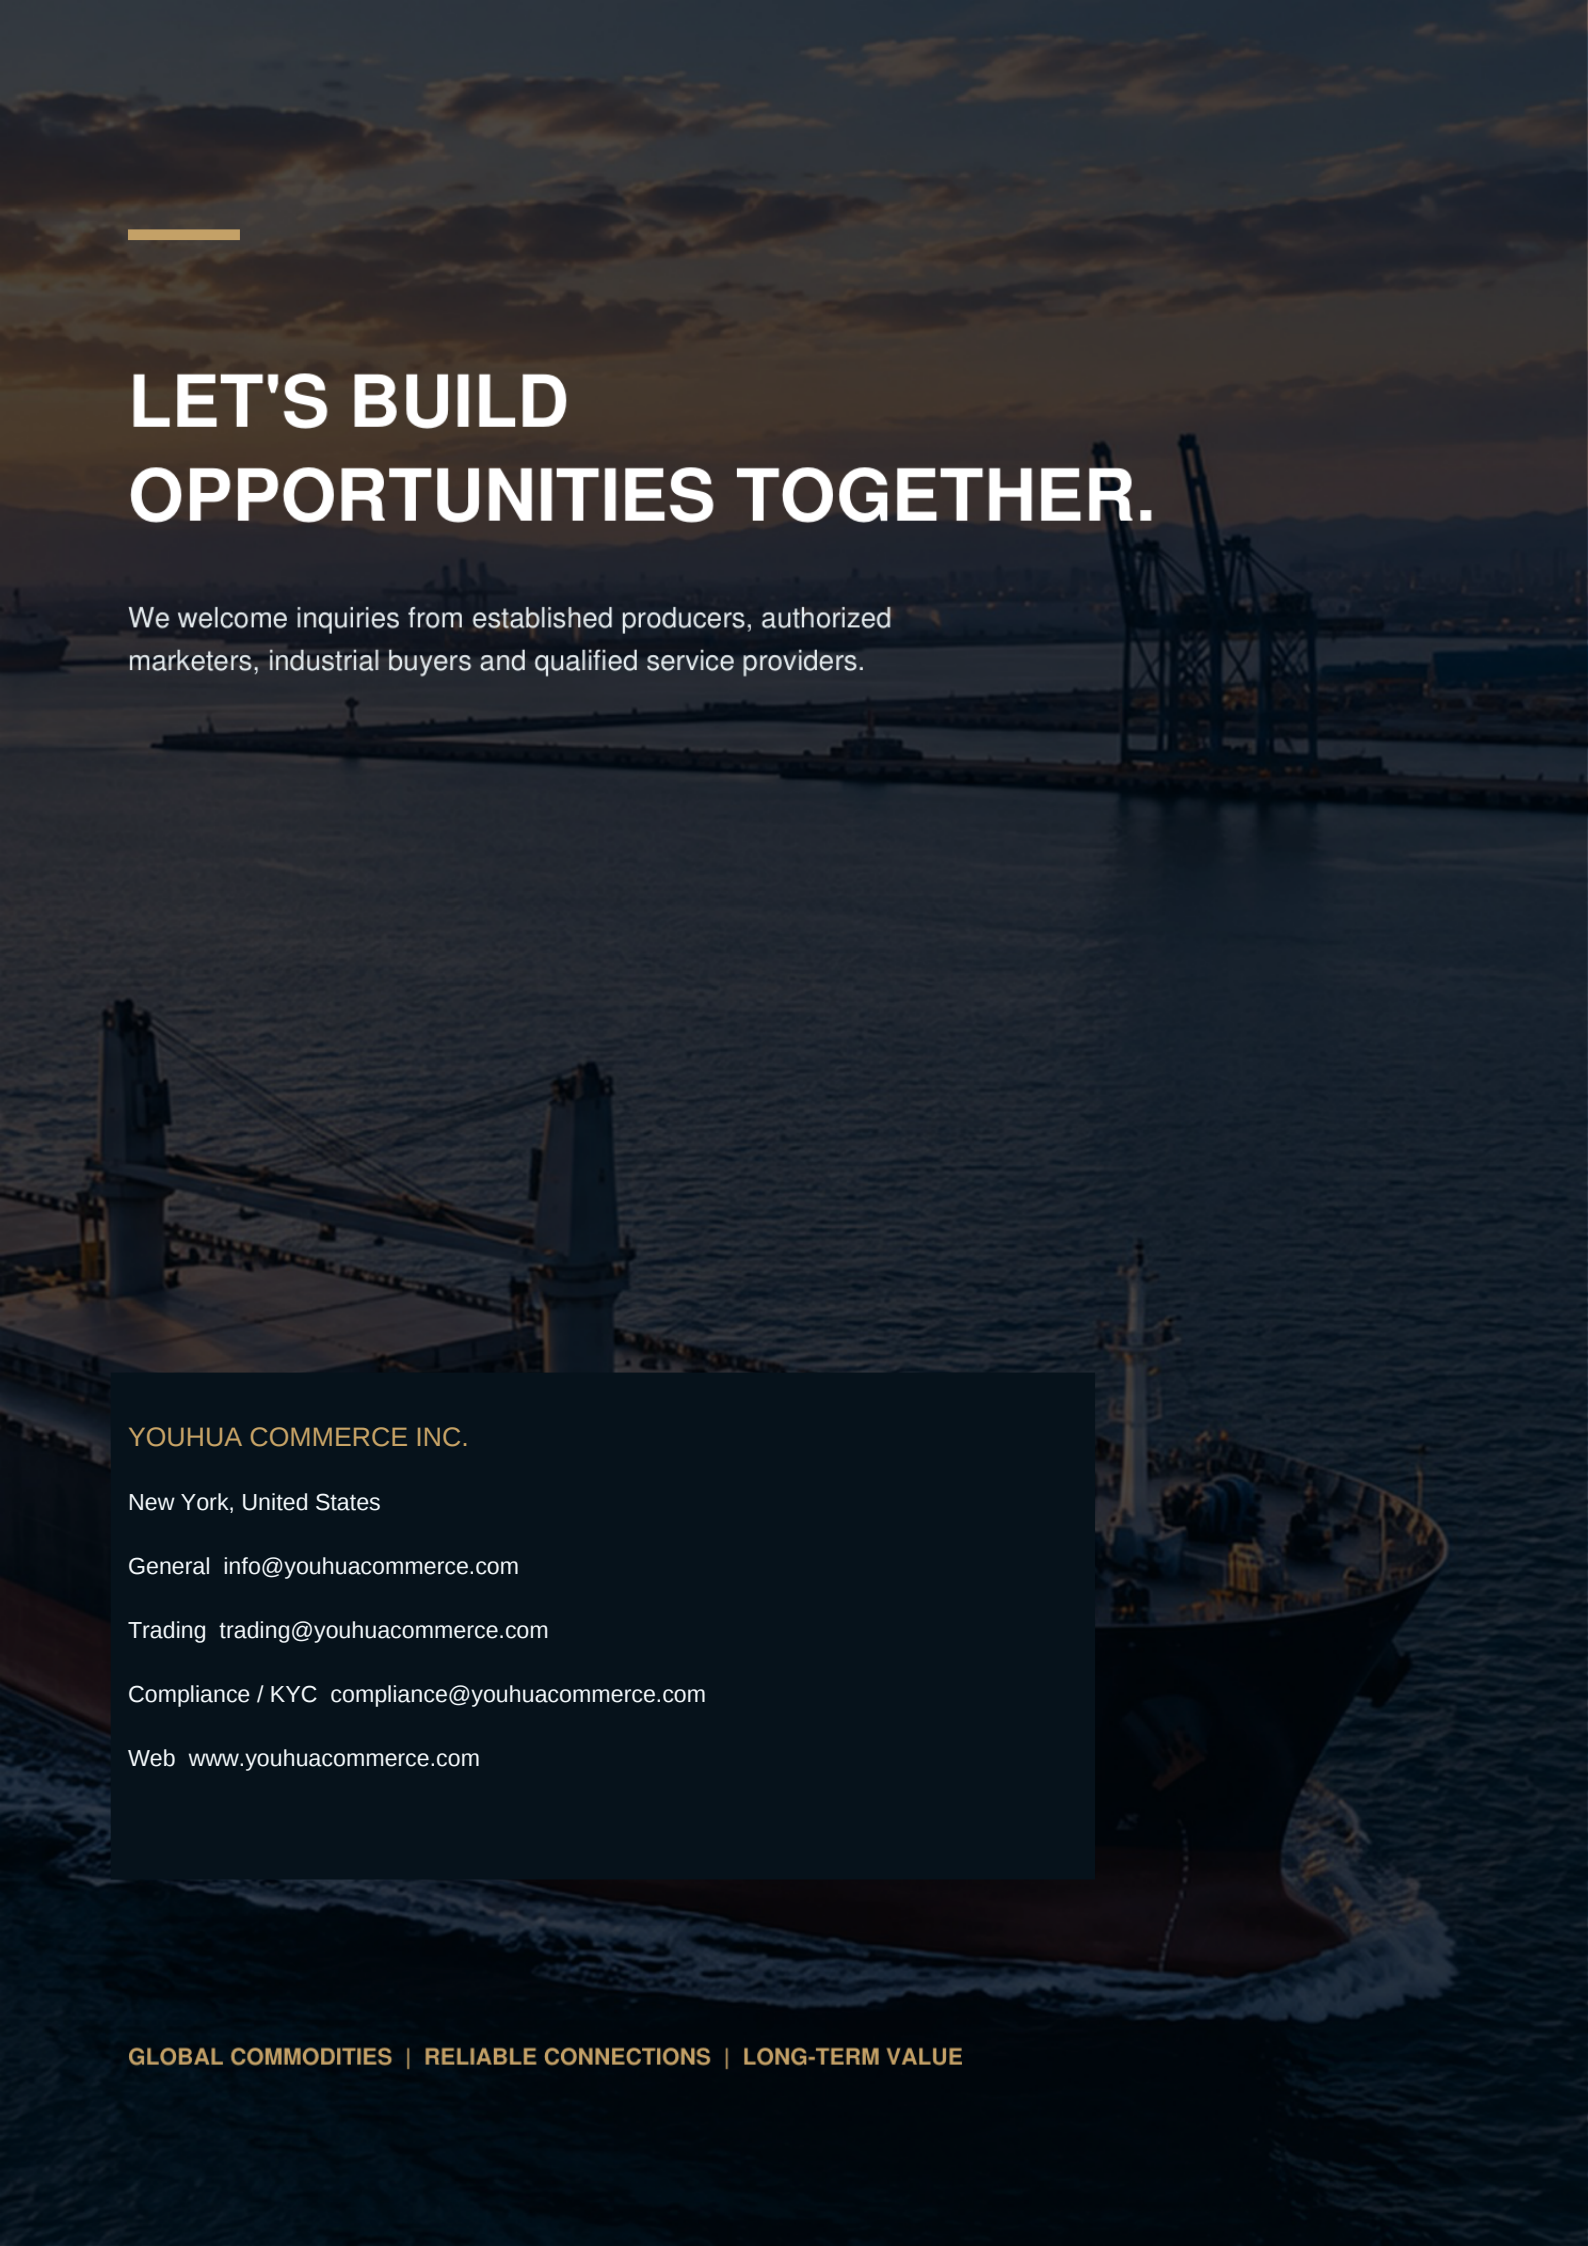

Risk-based sanctions, origin, vessel and transaction screening as appropriate.

DOCUMENTARY CONTROL

Review of commercial terms, inspection, shipping documents and payment requirements.

LONG-TERM RELATIONSHIPS

Preference for repeatable programs and qualified producers, buyers, banks and service providers.

LET'S BUILD OPPORTUNITIES TOGETHER.

We welcome inquiries from established producers, authorized marketers, industrial buyers and qualified service providers.
